The Final Puzzle

Now that you have solved all the other puzzles you are ready for the final puzzle. Simply put the 16 named puzzles in alphabetical order^{*} by book title^{**}, and then enter the 6-letter solution from each puzzle into the corresponding row below.

Then read the final instructions by following the arrows and reading the letters.

* Reminders when alphabetizing: Disregard an initial "A" or "The" in a title, use last name before first name or title for a person's name, and consider numerals before letters.

** Yes, use the book titles here. You won't need the puzzle titles just now, but you will be using them soon.
